

The reception and dance given in honor of Mr. and Mrs. August Rickford, at their home last Saturday evening, was a very enjoyable social function. The Pekin band, of which the groom is a member, was present and added greatly to the gay festivities with a splendid concert. The band was seated in the centre of a circle formed by automobiles, and the light which was furnished by the automobile lamps, made a very pretty sight. The dance was given in the barn, and a very enjoyable time was had.
