

Wm. Amos left here Monday for Canada on some urgent business pertaining to his land there. Mr. Amos has a claim in the Dominion and has complied with the homestead laws of that country to the letter, but some one, in order to be mean, reported to the officials that he had not. He was ordered to appear there immediately, and left for there Monday. Shortly after the train had left here Agent West received a message for him stating that the officials had looked into his case more fully and found the reports were entirely unfounded, and will not have to be there for some time yet. Mr. West wired to Rogers to have him detained there, and he returned here on Tuesday. This was good news to Mr. Amos as he will now have time to finish up his fall work before going to Canada.
