

School opens next Monday and everything is in readiness for the opening day. The teachers will arrive this week. Miss Ora M. Lowe is the only one of last year's corps who will return. The others are Miss Eunice Persons, of Mt. Vernon, Iowa, and Miss Laura Betz, of Kimball, Minnesota. Miss Lowe will have charge of the primary department, Miss Betz the intermediate department and Miss Betz the grammar department. Two new studies will be added this year. Miss Lowe will teach penmanship, and Miss Persons will teach bookkeeping. Children who are six years of age, or who will be six years by January first, will be admitted, and only those who will attend thruout the entire term will be admitted. Some parents have been sending their children for a few months in the fall and as soon as cold weather sets in, will take them out until the following spring. In order to facilitate the work of the teachers, and also for the benefit of the pupils, the school board adopted a resolution demanding that the parents send their children on the opening day or within a few days after, and that they should continue the whole year.
