

Base Ball Meeting.

A base ball meeting will be held in the First National bank tomorrow (Friday) evening at 7:00 o'clock, before band meeting. Everyone is urged to be present. The question as to whether Binford will have a ball team will be brought up, and this can be decided more satisfactory if there is a good attendance at the meeting. Ways and means of support will have to be devised if we have a team. Binford has always had a good ball team and there is no use of laying down at this time. There is sufficient talent right in town for a good team, but some assurance of support must be had. Baseball is one of the best as well as one of the most economical ways of advertising a city and has done much to put Binford on the map. It is the greatest summer amusement there is, and makes a live town out of a small city which would otherwise be dead for three months.

Enthusiasm is high in McHenry over baseball. A large sum of money is in the hands of the treasurer, and they propose to have a team if money will get it. New uniforms have also been purchased.
