

A bowling team composed of Aug. Evers, Theo. Ethen, Theo. Kittleson, Oscar Idsvoog and a Mr. Smith of Fargo, pulled off a match contest with the Nestor team of Fargo, last week while the boys were there taking in the grain growers convention. The Binford boys lost by a small margin. In all probability a team will be gotten together from among the boys here and at Cooperstown to go to Fargo in the near future for a contest with one of the teams of that city. Our boys are confident of making a respectable showing, and even if they do not roll the high score, they will at least have an opportunity to get a few high balls. We hereby apply for the job as chaperone.
