

C. F. Ringlee is here this week to make arrangements for the improvement of the interior of his store building. More shelf room is to be added, changes are to be made to the front, and the whole interior painted. In a conversation with The Times man last evening, Mr. Ringlee stated that they expect to be open for business along about the first week in September. Associated with him in the business will be his two sons, Albert and Francis. With them, and Miss Cora Paul, the store will have an efficient and accommodating sales force. The Times, and the public in general, will welcome the Ringlees back to Binford. Since they moved to Sutton a year ago, Binford has had but one general merchandise store, and, though we have naught but good to say for the Buchheit-Bakken firm, we could not reconcile ourselves to the condition that Binford was a one-store town. We knew better—and, at last, our hopes are to be realized.. No more is the buiding to stand vacant, an eye-sore to the community, and the cause of much undesirable advertising for our town. The Sutton stock will be moved here and replenished to complete all the departments. To the Ringlees we bid a hearty welcome, and bespeak for them a fair portion of the business.
