

T. co. Smogard, Ole Bakken and L. P. Larson have been appointed as a road committee by President Truscott of the commercial club. This committee has for its object the bettering of roads leading to Binford. If any of our farmers are in need of any advice as to proper method of road construction the committee stands ready at any time to offer whatever aid is in their power. It is a good move. No better results can be accomplished than by the concerned
