

The Commercial Club had an awakening this week and held an interesting meeting last evening at the First State bank. The election of officers resulted in the election of L. P. Larson as president; Otto Pritz, vice president; Theo. Smogard, secretary; P. P. Idsvoog, treasurer. The executive committee is composed of J. C. Thingelstad, Oscar Greenland and F. G. Lewis. A road committee was appointed with Aug. Evers, O. G. Arneson and J. C. Thingelstad as members. Dr. J. R. Truscott, Theo. Smogard and Oscar Greenland were appointed as a committee on electric lights. Discussions on the electric light proposition, road improvement and the re-opening of the Nelson blacksmith shop will, no doubt, create a lot of good for Binford.
