
School Notes.

With this week ends the first half of the school year.

Room II enjoyed a short visit from Mr. West on Monday.

Dr. Truscott visited school, Tuesday and Wednesday mornings.

Olga Dahlin was absent from school on Wednesday.

The third grade is studying the poem, "Winter Time," by Stevenson.

The ninth grade has finished the text in Physical Geography and are reviewing preparatory to a final examination in the subject. They will then take up Commercial Geography.

The seventh grade is completing the subject of Physiology and will, together with the eighth grade, begin the study of Civics, next week.
