Dear Friend:

"We are in receipt of your Children's Home Day contribution of seventeen dollars, for which you will please accept our heartfelt thanks.

Please say to the pupils who made this offering that we, on behalf of the children of the Home, are very grateful to them for the spirit they have manifested in sharing so generously with them at this Thanksgiving season and trust the day was all the more enjoyed by them for their having done so.

Should any of you visit Fargo in the future, we should be pleased to have you call at the Home and see the children, as well as the manner in which we, through the assistance of such kind friends as yourselves are being enabled to care for them.

Wishing you all a happy holiday season, I am,

Yours truly,  
F. D. Hall, Supt.
