Although there has been a great deal of sickness and colds in the school this month, every pupil tries to be present if he possibly can. This is the weather when one must look out for the clutches of La-Grippe.

The pupils in Room 2 are learning a new verse each week. The first one "Avoid all appearance of evil" begins with A and we have advanced up the alphabet as far as U.

Gurine Larson is absent from her class this week on account of illness.

The Washington program as published last week was carried out in full, Friday afternoon.
