

School Notes.

Once more we are in our in our places and the "grind is on." As a fitting beginning for the New Year we must needs have fourth month examinations first thing on the program. The eight grades are having their first chance on the finals. Some of the seventh grade hope to try some of them.

Carl Norstrum was absent from school Monday afternoon on account of illness.

Helen Alm enrolled in the primary grade Monday.

We miss Bert Norman's smiling face.

A new pupil, Albert Walen, has been admitted into the sixth grade.

A Happy New Year to Binford! Here's hoping that all the Binford people had as good a time during vacation as the teachers. It is whispered that they rested until they were all tired out.

Anna Glimsdahl, Gurine Larson and Sena Solberg are taking special work in Miss Lowe's room.

Edna Lewis is absent from school these days. The weather is very cold for the "wee tots."

Although a little tardy in so doing, we wish to thank all the good people of Bin-Binford who helped to make our Christmas program a success. We would especially thank Dr. Truscott and Mr. Norstrum for their never failing assistance in getting the hall ready, Mr. Anderson for the use of the piano, our kind hearted janitor and all the other good people, who by their generous contribution and in many other ways assisted us. Words cannot express our gratitude for the use of the hall, without which the program would have been an impossibility. If we have failed to mention personally any who deserve it, 'tis a mistake of the head and not of the heart, and to one and all we say "A Happy New Year."
