

# School Notes.

Mrs. Goplin called on the primary rooms Wed. A. M.

Susie Shaw was absent from school Tuesday on account of illness.

Mildred Davidson was nearly tardy the other day. Be careful of the cellar stairs next time, Mildred.

Sixth grade has accepted a challenge to a spell down to occur on Friday afternoon.

The eighth grade will have final examinations, Thursday and Friday.

Olga Dahlin was absent from school last Thursday and Friday.

Olga and Ruth Dahlin, Josephine Thingelstad and Annie Hegland have celebrated their birthdays recently.

The fourth grade challenged the third grade to cipher down on the multiplication tables to take place Wednesday morning.

Here's to the winners!

Every Monday morning the whole school passes into Miss Pomeroy's room for chapel exercises. Last Monday a delightful little program was rendered by the primary room. Besides the usual songs and prayer, there was a reading by Lillian Jackson, a recitation by Howard Lewis and a song, "All Aboard for Blanket Bay."

The Rotary, the North Dakota school children's paper published at Lisbon by W. G. Crocker is used daily in the schools of the state. It contains the selections required for Reading and Language work each month. The present subscription of eighteen in the Binford school should be increased next year to fifty that every child might have one.

Mr. Crocker has had very poor health for some time and the Primary pupils tried to brighten a few hours for him by sending a shower of post cards. The following letter was received in return, together with post cards for the pupils:

Miss Ora Marguerite Lowe,

Binford, N. D.

My dear niece.

Your favor of the 4th together with the postal shower of good wishes were received today and I hasten to send you and the wee tots my gratitude. Please convey my sympathy to little Ida and tell her that the hopes came true for I am again at home and feeling better and tell her parents that Dr. Darrow of Fargo when I was sick with pneumonia saved my life by taking all food away.

You must know how I appreciate these little tokens altho you do not know that this rather gloomy day day was brightened by that "shower." The March Rotaries have been mailed and I am sure the tots and yourself will be glad to learn that for a week at least I ceased to go down hill. My trouble, ex-ophthalmic goitre, I fear can only be cured by the use of the knife for which ordeal I am striving to gain strength.

Thanking you for your kind wishes, I remain

Yours Sincerely  
W. G. Crocker.
