

## School Notes

Mrs. F. G. Lewis was a visitor Wednesday afternoon.

We wish to thank Olaf and George Standal for the pretty picture, "The Good Shepherd," which they presented to the Primary room.

Olga Dahlin was absent two days last week.

Dr. Truscott visited each of the rooms in turn on Wednesday, Thursday, and Friday of last week.

A number of the pupils of the higher grades were guests at the Binreadalit last Friday evening.

Mrs. G. P. Cross, Jr., of McHenry, a former teacher in the Binford school, visited the primary room on Monday.

Bert Norman enrolled Tuesday morn-

ing making the "lucky thirteenth" in Room III.

Oliver, Marie and Dina Swenson bade farewell to their teachers and schoolmates on Tuesday afternoon before their departure for their new home. We were very sorry to see them go but wish them well in their new home to which they are going. A number of their school friends accompanied them to the train.

The children are practicing for the Thanksgiving and Children's Home Day Program to be given in Room III, Friday November 24, at 3:00 P. M. We hope that many friends will come to hear the program and bring a generous contribution for the Children's Home Society at Fargo. Money is needed most particularly but provisions and children's clothing, in good condition, will also be very acceptable.
