A goodly number of friends of the school listened to the Thanksgiving and Children's Home Day program given in Room III on Friday afternoon. All the grades were represented and each and every one acquitted himself creditably. Miss McBride sang for us, and her solo was greatly enjoyed by all. We wish to thank all those who contributed to the fund for the Children's home. Binford people are ever generous and on this occasion proved true to their reputation. Seventeen dollars was collected for this worthy cause. If every town in the state does as well in proportion to its population the work will surely be greatly helped.
