

**Courier:** A company of neighbors and friends dropped in to spend the evening with Mr. and Mrs. Oscar Feiring on the farm last Thursday and for a few hours a social time was enjoyed. A supper was served. The bride was a stranger to most of the people of the neighborhood and this occasion was brought about in order to give her a chance to get acquainted with her neighbors. It was a real social gathering and Oscar furnished the smokers in the crowd all the good cigars they wanted to smoke.
