

make this his permanent home.

A pleasant surprise was sprung on Miss Minnie Gjelhaug, last evening, at the Arneson home, when the members of the Sunday school with Mrs. W. E. West and Miss Anna Kebsgard, gathered there to show their appreciation for the faithful and untiring efforts of Miss Gjelhaug in behalf of the Sunday school. A small present was given her as a token of friendship and esteem. Lunch was served and the evening was thoroughly enjoyed by those present.
