Word has been received from Roy Gralias, telling of a match at Herbert, Sask, between himself and Young Sharkey for the championship of Canada. Gralias won the match although he was outweighed twenty pounds. In the first fall Sharkey went under in seventeen minutes with a tie hold. After the match had continued for about twenty-one minutes both men went to the floor hurt, but the former Binford man recovered first and claimed the fall, which was granted by the referee, Walter Blenis. Gralias is doing well in the English territory and meeting some good men.
