

Commissioner Resigned.

Commissioner R. L. Jones of the 4th commissioner district, handed in his resignation to the board when they met at Coopers-town Monday, and the resignation was accepted. B. N. Howden of Mabel township, was appointed to fill the vacancy.

Mr. Jones has been elected cashier of the First National bank of Hannaford, and in order to attend to his duties there, it necessitated his removal from the district, which disqualified him to serve as commissioner. During his term as a member of the board, he made an excellent record as a man of sound business judgment.

In the appointment of Mr. Howden, we believe, the board made a wise move.
