

a grove near Cooperstown.

Carl Grove received word last week from Fargo of the illness of his brother, and went down to see him over Sunday. About six weeks ago he had been run over by a taxicab and seriously injured, and was taken to the St. John's hospital for treatment. He was unconscious for a long time, and there was nothing on his person to identify him, which is the reason Carl being in ignorance of his condition until he was able to explain matters to the hospital people. He is recovering slowly.
