

The most pleasant social event that has been held in Binford for a long time was the surprise party tendered Miss Marie Herlick Tuesday evening at the home of Mr. and Mrs. Otto Pritz. The surprise was complete. After a short visit at the house the party, which consisted of nearly 20 couple, went to the opera house and enjoyed themselves dancing until 12 o'clock, when they again repaired to the Pritz home, where a delicious luncheon awaited them. Concluding the luncheon, Miss Herlick was presented with a signet ring, beautifully engraved with her initials and "Binford Bunch May 6, 1913." The party was in the nature of a farewell to Miss Herlick, as she leaves tomorrow for her home at New Ulm, Minnesota. She has a large number of warm friends here who will deeply regret her departure.
