

With the departure of Rev. Horstman, it makes three preachers that have left the Binford church congregations during the past six weeks, and it leaves the town without a preacher in any of the churches. Rev. Jenson left for Badger, Iowa about six weeks ago, Rev. Swenson left on Tuesday for Carpio, and now Rev. Horstman is soon to leave for Springfield, Missouri. This is a lamentable fact, but we are glad to state that in each case the pastors have gone to bigger and better fields.
