Theo. Kittelson has resigned his position with Greenland Pritz & Co. Mr. Kittelson recently disposed of his residence property here and is soon to leave Binford. He has several deals pending in some of the nearby towns, but is undecided as to which one he will enter. The news of his departure will be received with profound regret by Binford people. Mr. and Mrs. Kittelson are an estimable couple. They stand high in the society circles of the village and their removal will be a distinct loss.
