## **C. J. Krogloss is Cashier.**

A change was made in the list of officers of the Farmers and Merchants State Bank the first of the year. C. J. Krogloss, who has been assistant cashier for the past couple of years, was promoted to cashier. Mr. Wedge now fills the office of vice-president. There will be no change in the working force of the bank. We are glad to see the directors of the bank take the step they have in the matter of the promotion of Mr. Krogloss. He is a steady, reliable young man who attends strictly to his duties and has won the promotion by hard work and honest efforts.—Granville Herald.
