

McHenry Tribune: Mrs. L. N. Miller and her little daughter left Monday for Cooperstown where they will visit a few days before going to Fargo. They will in the future reside there. Atty. Miller after winding up his business affairs here will join her and will establish himself in business in Fargo. Atty. and Mrs. Miller made a host of friends here and they will be greatly missed. Mrs. Miller was active in the Woman's Club work and her absence will be keenly felt, nevertheless we hope for them happiness and prosperity in their new home.
