

Eckelson News in Sanborn Enterprise: Mr. Osen, who has had charge of the L. R. Welles lumber yard in this place, has been transferred to Binford where he will take the management of the company's yard. We are sorry to lose Mr. Osen, as he is a hustler, and has made good during the short time he has been here. Mr. Janson, who will take the management of this yard, came down from Binford Monday so as to get acquainted before he was left alone.
