

Thos. A. Way, president of the Dakota Townsite Co., Watertown, S. D., was in Binford a few days this week. Mr. Way has purchased from the D. S. B. Johnston Land Co. lots in about 65 towns in this state and Minnesota, and it was for the purpose of looking after his interests that he was here. Mr. Way also made a deal whereby the Times man will look after his property here, so if you want a lot, call at this office.
