

Ben Raaen has disposed of his farm in Nelson county. The farm consists of three quarter sections. A half section was sold to Matt Hovel and August Rickford, and a quarter to Wm. Miller. A deal was made by Mr. Hovel and Mr. Rickford, whereby the latter becomes in possession of the whole half section and in consideration of the deal Mr. Hovel now owns 80 acres of Mr. Rickford's land. Mr. Raaen is in Canada at the present time negotiating with the Gratiias boys, who are in the land business at Sa-katoon. He will have an auction sale of his personal property some time in March, and will then move to Canada, to become associated with the land company of the Gratiias Brothers.

The committee which has the
