

News was received here from Galesville, Wisconsin, of a serious accident which befell Francis Ringlee. He is attending college at Galesville, and on Sunday, in company with other boys went ski-ing. Francis was going down a steep hill at a good speed when the skis struck a bare spot which threw him in the air landing him on his side and back. One rib was broken and he sustained injury to his liver and kidneys. His many friends will be pleased to hear of his rapid and complete recovery.
