

A. L. Gibboney, J. F. Johnson, Maple Shapell, Sanborn Shapell and K. G. Hathaway, Bismarck Tribune overlanders, were in Binford Tuesday on their tour over the state on horseback. Up to the present time they have traveled over 2900 miles and have covered the entire state east of Bismarck, north and south. They are soliciting subscriptions for the Tribune and giving each town they visit a lengthy write-up. Many of our citizens were added to the list, and are eagerly waiting to see the write-up of our hustling little city.
