
Dissolution in Land Firm.

Kenmare News: An important change in local business circles took place here last week when L. M. Summerville withdrew from the firm of Summerville & Sinclair to give his entire time to his large personal interests in and around Kenmare.

Mr. Sinclair will continue the business under the name of J. H. Sinclair Land Company and will occupy the quarters formerly used by the company, in the Peck block. Mr. Sinclair will become president of the company and William Glass of Minneapolis, will continue as vice president. There will be no change in the policy of the organization.

Mr. Summerville is a large land owner in this vicinity and will hereafter devote his time in looking after his large interests.
