

Larson, Ringlee & Co. have purchased the Rice store at Sutton, and took possession on Monday. A. W. Ringlee will have charge of the store there and will move his family down as soon as he can secure a house in which to live. The Times sincerely regrets the removal of this family from Binford. They have made this their home for a number of years and have a large circle of warm friends here. Albert has been one of the leading members of the base ball team, doing the catching, and his absence from the line-up will be a keen loss. His timely swats have helped Binford win many victories, and his work on the receiving end has been of the stellar order. Sutton has gained a valuable man for their ball team, and while we have nothing but the best of feelings for him, friendship will cease during the progress of those ball games next summer—and we will not forget to move back to the fence and trust to luck when "Ding" comes to bat. The Ringlees are an estimable family and we recommend them to the good graces of Sutton people.
