

Mr. and Mrs. W. E. West, and son Harwell, departed yesterday for western points, for a vacation of four or five weeks duration. They will visit Glendive, Montana, American Falls, Idaho, Eugene and Albany, Oregon, Los Angeles, Seattle and Spokane. Before returning they will visit with Mr. West's parents at Lansford, this state. This is Mr. West's first vacation in five years, and, no doubt, every opportunity for a pleasant trip will be taken advantage of.
