

Valley City Courier: William Hadlock, a former citizen of Griggs county, and for some years a member of the Griggs county commissioners, died very suddenly at Joplin, Montana, last Friday. The deceased was walking across the street and at once pitched forward and died of heart failure. He was unmarried and was engaged in farming. The remains were brought to Valley City Sunday morning by his sister, Mrs. Weltha Bemis, of Cooperstown, and Reese Hadlock, a brother, from Joplin. The funeral was held on Sunday afternoon, Rev. W. C. Lyon officiating. Interment was made in Woodbine cemetery alongside of his mother, who died some years ago. Many of our old time citizens remember the deceased. Wm. Hadlock was a man of very few words, but one of strong friendship for those whom he called friend.
