

GREENLAND A CANDIDATE

Prominent Binford Citizen Seeks Democratic Nomination for Dele- gate to National Convention.

Oscar Greenland, our highly respected townsman, announces that he is a candidate for delegate to the Democratic national convention to be held in St. Louis, June 14 to 17.

The Times is pleased to add its endorsement to a signed statement from the pen of H. S. Rearick, a publisher of the Griggs County Sentinel-Courier, which follows:

"Mr. Greenland has long been an effectual worker for this section of the state in political matters and has held steadfastly to the support of good, progressive Democrats, and he ought now to receive the solid support of all the voters of that party, not only here but throughout the state. If he should be elected, and it is about time that this county was recognized in this way, he will go to the National convention prepared to stand from start to finish for the greatest and best ideals of the party and the Nation."

Mrs. Mary E. Maurer.

Mrs. Mary E. Maurer died at 3 a. m. Tuesday at the hospital after a very brief illness of pneumonia and pleurisy. Deceased had been in the hospital for over a year suffering from a broken hip. She was taken ill last Friday.

Mrs. Peterson of Marion, H. J. Maurer of Binford, and Mrs. I. A. Dunn, of Fall City, Neb., are the only children left.

Mrs. Maurer was a widow, her

husband, Jessie Maurer, departing this life Oct. 1, 1908. She was born in Pennsylvania 80 years ago last December 13.

The funeral services will be held Thursday afternoon from the Methodist church, of which she long was a member, and burial made in the family lot in Highland Home cemetery. Mr. and Mrs. Jesse Maurer and family came to Sanborn in the spring of 1882, and filed on a homestead south of town where they remained a number of years. They removed from the farm to Jamestown several years ago. They have many friends in this section of Barnes county, who will be pained to hear of Mrs. Maurer's demise. Condolences are extended to the survivors.—Sanborn Enterprise.

CAPT. RACKET FRIDAY NIGHT

Home Talent Play Is Ready to Be
Put On Big Dance Fol-
lows the Show.

Friday night's the night.

"Capt. Rackett" the home talent play, which is given by Binford people is ready to present to the public, and from all accounts the opera house will be packed to its capacity.

The play is a good comedy drama in three acts, and is full of real life, where joy and laughter and suffering combine to make it a most excellent drama.

Two solid hours of entertainment—followed by a dance—is a mighty good attraction—so forego all other engagements and come out tomorrow night.
