
Spenger-Ebentier.

Joseph Ebentier, one of our wealthiest and most influential farmers, and Miss Katie Spinger, daughter of Mr. and Mrs. Sam Spinger of Sanborn, were quietly married Tuesday at Wimbleton by the local Catholic priest of that village. After the ceremony they started on a honeymoon trip to the coast, where they will visit the exposition and other interesting places. On their return home they will live on the farm two miles north of town.

The bride has been Mr. Ebentier's housekeeper for some time and is a young lady with many graces, who numbers all her acquaintances as friends.—Sutton Reporter.
