

Leeds News: Miss Agnes Host was hostess to the members of the C. S. S. C. last Thursday evening and the young ladies took this opportunity of giving her a bridal shower. The married members of the club were invited and also a few of the bride elect's intimate friends who are not members of the club. A handsome silver service from the married ladies, and a cut glass bowl from the club members, were among the many beautiful gifts received by Miss Host. The date for the wedding has been set for the latter part of the month and Howard, Huseby, of Binford, is the lucky man. Mr. Huseby and his bride will reside at Binford, where Mr. Huseby is employed in a bank.
