

visit in Fargo.

Sentinel Courier: Bert Nelson, who carries mail on route 3, sustained painful injuries in a motorcycle accident. He and Geo. Adams, Jr., were coming in from the country on their machines and were going at a rapid gait. Bert was in the lead and when near the fair grounds turned to look for Adams. As he did so, his machine ran into a rut and turned over, throwing him off. Adams who was coming directly behind could not stop his machine in time to avoid running into Bert and consequently collided with the machine. Bert was badly cut about the head and face and body bruised. Adams escaped with a slight bruise upon his nose. Bert was taken to the home of his brother, V. F. Nelson and attended by Dr. Westley. He is getting along in good shape but it will be little time before he will be attending to his duties again.
