

McHenry Tribune: Leslie Allen, a transient, was arrested yesterday charged with robbery, and when taken before Justice Patterson last evening, plead guilty to the charge. It will be remembered that the Haugen hardware store was entered some weeks ago and robbed of two shotguns. No evidence whatever was left in the trail of the thieves, but the finding of the two guns yesterday and the evidence surrounding the incident, placed the guilt on the party above named. Allen was taken to Carrington last evening where he will be sentenced later by Judge Coffey.
