

Rev. Jas. Anderson of Fargo conducted services in Hovel's Hall Sunday, with a good attendance at both services. Every one who heard him was pleased with the services and expressed heartily the wish that arrangements might be made so that we could have a regular preaching service. It is hoped that plans to that end can be worked out. Rev. Anderson is the district superintendent of the Fargo District of the M. E. church. He was for eight years pastor at Valley City and for three at Jamestown. During his stay he was entertained by Mr. and Mrs. O. M. Roney and Mr. and Mrs. Robt. Thorn. He arrived on Saturday from Fargo and during the evening met a number of our citizens. In company with Robt. Thorn and wife he motored to Cooperstown Monday leaving there in the afternoon for Jamestown and other points in furtherance of his work. Rev. Anderson expressed himself as greatly pleased with the cordial reception he received from every one he met.
