

scoring.

The O. G. Arneson family departed Tuesday for Oslo, Minnesota, where they intend to remain for the summer, or until Mr. Arneson has disposed of his interests here and decided upon a location elsewhere. The Times is expressing the sentiments of the entire community in stating the removal of the Arneson family has caused profound regret. In church affairs they have been conscientious workers, and Mr. Arneson has taken an active part in civic affairs of the village. They have the best wishes of everyone for a prosperous future.
