

While driving to his home at Cooperstown from Binford, last night, Clarence Berg, son of Mr. and Mrs. Lewis Berg, was running a Ford runabout at the rate of 30 miles an hour when he ran over a dog, a mile and a half east of Jessie, upsetting the car. The boy's left leg was broken above the knee, besides being badly torn by a bolt. Dr. Brim and the boy's parents were called from Cooperstown last night and this morning he was removed to his home being taken down on the freight. Dr. Collins of Fargo was called this morning and will arrive by the noon train to attend the boy. Clarence has many friends who hope for him a complete and speedy recovery.
