

Announcement

We wish to announce that we have purchased the business of the L. R. WELLES LUMBER COMPANY at Binford.

It is our intention to make many improvements in the plant and to stock up the yard with a clean FRESH STOCK OF FIRST CLASS LUMBER which we will ship direct to this town from our own mills.

SHIPPING DIRECT FORM OUR OWN MILLS as we do and operating on an entirely new basis we are able to supply you with lumber at the right price and to render you a service that will merit your co-operation and trade.

WE WILL MAKE SOME INTERESTING ANNOUNCEMENTS later in the year. We will make all of these announcements in The Binford Times and we urge you to give the matter your closest attention and to watch every issue so that you will not miss any of the interesting news.
