# MARKET DAY

# POSTPONED

---

**Another Attempt Will be Made to  
Put it on Next Saturday,  
June 19.**

---

Old Jupe Plevious was on the job early last Saturday morning and nipped our Market Day aspirations in the bud. It was evident that it would be useless to pull off the event, so the committee got together and postponed the "doings" until Saturday of this week, and, weather permitting, Binford will entertain one of the largest crowds of its history.

The McHenry band has volunteered their services in helping out the local organization, so there is a rare musical treat in store for the visitors.

Don't forget that if we can beat the weather man to it, Binford will be **THE** place next Saturday.
