

FESTIVAL DAY HAS BEEN SET

Annual Celebration Will be Held in
Binford, on Friday,
June 29th.

The Midsummer festival, which has been an annual event in Binford for the past few years, will be held this year on Friday, June 29.

The program for the day's festivities has not been arranged as yet, but will be given out in sufficient time. No radical changes will be made from that of previous celebrations.

The Willow band has been engaged and it is planned that after they have played a number of selections on the street in the forenoon, they will lead the way across the tracks, where an indoor base ball game will be played by two lady teams.

Immediately after dinner, the street sports will take place, followed by a ball game between the local team and some other team not yet decided upon.

The Binford Dramatic Club is endeavoring to have their new play, "A Crazy Idea," ready for presentation that night, after which a big dance will be given.

Remember the date and plan to spend the day in Binford.
