

# NEW ELEVATOR FOR BINFORD

---

**Binford Farmers' Co-operative Elevator Company Organized.**

---

Between twenty-five and thirty farmers tributary to Binford have subscribed for stock in the Binford Farmers' Co-operative Elevator company, and a meeting was held in the opera house Monday, and the following directors were elected: Albert Goplin, D. A. Goplin, J. P. Vangen, Swen Gilbertson, John Hagberg, A. H. Overby, and Otto Bruns.

The company will capitalize for \$10,000. \$3,500 has already been subscribed. This amount is sufficient to secure a charter and actually engage in business, but the list is being circulated in order to get additional stock.

It is the intention to buy one of the elevators here but if that cannot be done, the company proposes to build, and be ready to do business by next fall.
