The second home talent play, "A Modern Ananais," put on by Binford people, met with the same success as the first one, put on two weeks ago. In spite of the fact that the roads were in bad condition the people from the country turned out in large numbers. The receipts from the play amounted to \$105, and the dance tickets \$21, making a total of \$126. Each member of the cast did his and her part very well. The climaxes were really funny and brought out storms of applause, as did other comic parts throughout the performance. Miss Kamps, of Harvey, favored the audience with two solos, which were well received. The orchestra played a few numbers before the play and between acts.
