

The dance given last Friday night by the local Odd Fellows was a real success. The hall was crowded with the merriest lot of dancers that have turned out for a long time, and the old timers as well as the younger generation had the time of their lives. The banquet served in the lodge rooms by the Rebekahs was great, and it goes without saying that the supper was thoroughly enjoyed. The room was decorated with pink and green streamers extending from wall to wall near the ceiling. The lodge realized about \$140.00 from the dance and supper. The amount left after the expenses are paid goes to the home fund.
