

LEAP YEAR HOP IS NEXT

**Ladies Are Preparing for Big Event
on Friday Evening,
April 14.**

A committee composed of Mrs. F. G. Lewis, Mrs. H. B. Hanson and Mrs. C. E. Peterson, are making preparations for the big leap year ball to be held in the Binford opera house on Friday evening, April 14th. The event is being looked forward to with more than usual interest, and that a large crowd will turn out is almost assured.

The men will undertake to provide and serve the "eats" without the aid of the ladies, and, though this feature may be unique and its success doubtful to many of the opposite sex, who believe that we men folks are null and void of any conception of the culinary art, we'uns are determined for once and forever to prove our ability to cater to the most fastidious appetite.

Gentlemen are urged to come regardless of their being asked by ladies. And why not? Don't the girls "stag" occasionally when not fortunate enough to have someone invite them to a usual dance? So we men folks can go with all the courage in the world and feel right at home even though we may result in "wall flowers," or perhaps weeds would be more appropriate at a leap year occasion, as flower is a delicate insignia for a mere man. Well, everyone should turn out and make it a good one, so we look for you.

And remember, this an effort on the part of the ladies to help wipe out the deficit in the baseball treasury. Tickets are being sold in advance and this sale should meet with a hearty response by everyone who is approached to buy a ticket.
