

A special meeting was held in the Lutheran Free church, Sunday afternoon, in honor of the boys in and around Binford who are drafted. Rev. Halling conducted the services. Miss Inga Helland spoke a few comforting words to the boys, and Mrs. Halling very ably rendered two vocal numbers. At the conclusion of the program all repaired to the basement where the ladies had the tables set for a spread. One table was reserved for the honored boys and their relatives. The table decorations were white flowers and flags, which also was in evidence about the room.
